ANORO ELLIPTA

(umeclidinium and vilanterol inhalation powder)

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch, or call 1-800-FDA-1088.

ELIGIBILITY: Patients may be eligible for this offer if they have commercial insurance and insurance does not cover the full cost of the prescription or if they are not insured and are responsible for the cost of their prescriptions. Government beneficiaries; patients who are enrolled in any federal healthcare program, including patients enrolled in Medicare (Part D or otherwise), Medicaid, Medigap, Veterans Affairs (VA) or Department of Defense (DOD) programs, or TRICARE; patients who are Medicare eligible and enrolled in an employer-sponsored group waiver health plan or government prescription drug benefit program for retirees; or patients enrolled in any similar federal or state programs, including state pharmaceutical assistance programs, are NOT eligible for this offer. Further, patients CANNOT use this coupon if they are Medicare eligible. For coupon eligibility purposes, all those 65 or older will be considered Medicare eligible. If patients are government beneficiaries or Medicare eligible, they may not use this savings card even if they elect to be processed as an uninsured (cash-paying) patient. **This offer is not health insurance** and is restricted to residents of the United States, Puerto Rico, and US territories. Void where prohibited by law, taxed, or restricted. Not valid in Massachusetts or California if an AB-rated generic drug is available for the product.

TERMS OF USE: Eligible commercially insured/covered patients with no restrictions (step-edit, prior authorization, or NDC block) and with a valid prescription for ANORO ELLIPTA (umeclidinium 62.5 mcg and vilanterol 25 mcg inhalation powder) who present this savings card at participating pharmacies will pay as little as \$0 for each covered 30-, 60-, or 90-day supply (1-3 inhalers) of ANORO. Maximum savings from annual offer will not exceed \$900 per year for patient's out-of-pocket cost (the amount paid after insurance deductions, if any). If you pay cash for your prescription, or are insured and your insurance does not cover or has a managed care restriction (step edit, prior authorization, or NDC block), and are not a government beneficiary or Medicare eligible, you will receive up to \$100 in savings on your out-of-pocket costs for each 30-day supply for each product. This offer is valid for up to 12 uses per product, and each 30-day supply per product counts as 1 use. Other restrictions may apply. Patient is responsible for applicable taxes, if any. This offer is limited to 1 per person and is nontransferable and cannot be combined with any other coupon, free trial, or similar offer. No substitutions are permitted. Patients, pharmacists, and prescribers cannot seek reimbursement
